## Line-up

Main vocals  
Guitar with vocals  
Guitar  
Bass  
Drums with vocals

Possibly, we arrive with 1-5 more people for photos, helping etc.

## Stage setting

Please make sure to reserve enough parking spots (1-5) very close to the stage. Normally, we bring our instruments and back line. We do not bring any further sound or light equipment. Regularly, we do not bring a sound or mixing engineer. Please make sure to have appropriately skilled people.

We would like to fix a backdrop 2x3m (horizontal format) with our band logo just behind our back line and would very much appreciate if you can provide us the necessary infrastructure to do so.
